

PROPOSED TEMPORARY CLOSURE OF B3143, ALTON PANCRAS

I have received an application from Multevo to close B3143, ALTON PANCRAS between Bookham Lane and Church Lane (in both directions), a distance of approximately 3520 metres. The closure has been requested to allow Multevo to carry out carriageway repairs including kerbing, sign posts and iron works. These works are programmed to commence between 09:30 and 15:30 on 16th April 2024.

Multevo will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 24 March 2024.
